ELIZA™ RUDDER

Composite

Named after an island in Washington State's San Juan Islands, the Eliza feels so good you never want to get out of it. Its compact cockpit makes you feel secure and firmly in control. And its balance of maneuverability and reduced drag will help you keep up with the guys. Or just plain leave them behind. Ideal for day tripping, the fifteen foot long Eliza with rudder is perfect for female paddlers of all skill levels. Polymer and skeg composite models also available.

FEATURES:

- Necky touring seat with backband
- Composite thigh braces
- Bow and stern hatches with the Cross Lock™ buckle system and bulkheads
- Extremely light weight
- Ergonomically designed cockpit geared for a small to medium female frame
- Reflective safety perimeter line
- Rudder system with adjustable foot pedals
